

Your class is taking
a field trip to the
MSU Broad Art Museum.

Your bus will drop
your class off near
the museum.

We will meet you at
the door.

Inside the museum,
you will see tall
ceilings and a lot of
windows.

Your class will walk
through the museum
to get to our welcome
area.

We will welcome you to the museum and explain our field trip rules.

These are the field trip rules:

WONDER

Share your ideas and questions.

RESPECT

Listen to your tour guide and classmates
when they are speaking.

CARE

Give the art space, do not touch.

Your class will divide into small groups.

Two MSU students will be the tour guides for your group.

You will stay with your group and go through three different galleries.

Your tour will be one hour long.

Your tour guide will give you a sketchbook and pencil.

You can use them during your tour for writing and drawing your ideas.

One gallery you will see is called The CORE.

In The CORE you will see hundreds of artworks in the museum's collection.

You will get to explore and see lots of art in this gallery.

In each gallery,
you will be invited
to share your
ideas about art
with your
classmates and
your tour guide.

We will use the stairs and the elevator to get around the museum.

At the end of your tour we will gather back where the tour began.

We will ask you about your favorite part of your field trip.

Then you will get back on your bus and return to school.

We look forward to meeting you and
looking at art together!
